

Pull up a seat. Kick back. This is where we unwind and indulge. It's that stepping-off-the-plane-in-a-foreign-city vibe, it's the weight of a mezcal margarita in hand, it's a SoCal breeze on a Brisbane coast. Baja is life at ease. It's the scent of hard-to-find spices, the aroma of prime cuts grilling in all their glory, plates heaped with the charred, juicy and traditional with a whack of the unexpected - and fresh seafood for days. Life fullflavoured and hyper-coloured, with lashings of lime.
